SUMMER EXCHANGE PROGRAM// 6 CREDIT HOURS

ACES/Engineering China Summer Research and Cultural Immersion Program

Location: Zhejiang University, Hangzhou, China

Application Deadline: January 31, 2015

Program Summary: Students will spend ~20 hours per week working in research labs and participate in an introductory Chinese Language and Culture Course. This course will introduce you to Chinese language and culture, and will allow you the opportunity to conduct independent research at Zhejiang University. Students will also travel to industries in China related to the specific area of study, and visit cultural sites including West Lake in Hangzhou, Shanghai, and Beijing. No prior knowledge of Mandarin is required.

Apply: www.studyabroad.illinois.edu – Click ‘Programs’ and enter ‘ACES China’ in the field ‘program name.’

Cost: $5000 (includes program fee, airfare, housing, and transportation)

Scholarships: ACES Students http://academics.aces.illinois.edu/study-abroad/scholarship; Engineering students should enquire about eligibility for IPENG scholarships http://engineering.illinois.edu/ipeng/

Contacts: Meredith Blumthal, ACES Director Education Abroad at 333-3380 or aces-studyabroad@illinois.edu

Faculty director: Professor Xinlei Wang, Department of Agricultural & Biological Engineering, email xwang2@illinois.edu.
